

ERRATA

Chapter 2 - p.79

"A remote sensing analysis undertaken in Kunar and Takhar provinces in 1978 and then again in 2002 revealed that the forest cover had shrunk by more than 50 percent in the interim"

It should read:

"A remote sensing analysis undertaken in Kunar and Takhar provinces in 1977 and then again in 2002 revealed that the forest cover had shrunk by more than 50 percent in the interim".
